News Release

For Immediate Release: February 13, 2019

8:15 a.m. DOW update – Water conservation request continues for Kōloa, Lāwaʻi, Omao and Kapaʻa

KOLOA– The water conservation notice remains in place for customers located in Kōloa, Lāwaʻi, Omao and Kapaʻa, until further notice as the Department of Water (DOW) work to assess water system operations and power outages affecting multiple well sites. An update will be provided as soon as new information is received.

Water conservation efforts include limiting water use to essential uses only; such as cooking, drinking and sanitation purposes, in an effort to maintain water services until electrical power, system repairs and well site functions can be restored to normal.

To monitor water service announcements online visit www.facebook.com/KauaiDOW.

To report a water service emergency during business hours, contact the Department of Water at 245-5444 or after-hours contact Police Dispatch at 241-1711.
